Naplan
Well done to all of our Year 3, 5, 7 and 9 students. They approached the three days of testing with a positive attitude and certainly gave of their best. After some initial nerves, the Year 3s settled into the process and will be experts in 2016 when their turn comes again. The Year 9s sat their last ever Naplan tests and celebrated with a finger food lunch on Thursday.

Thanks to Ms Anne Sudholz for coordinating the testing at Murtoa College and also to the many staff who supervised the tests throughout the week.

We would like volunteers to help out with a working bee here at school on Saturday May 24 at 8.30am. We are removing the steel shutters from the front of the Tech Wing. We would appreciate your help.

Last Thursday and Friday the primary students were able to get a free dental checkup at school. The dental team checked the students teeth and spoke to them about correct brushing techniques. Schools are offered this service from time to time so it was terrific that it was our turn this year. The dental staff make recommendations for further treatment if required.
The exam days for year 11 students will be from **Wed 11th – Friday 13th June**. Each subject will be allotted time to run a 90 minute exam with 15 minutes reading time. Morning exams will commence at 8.45am, 11.00am and afternoon exams at 1.30pm.

**Wednesday 11th June** is GAT day for all students undertaking a VCE unit 3/4 sequence including VET students undertaking second year of a scored VET subject.

Students must attend in full school uniform. If students DO NOT have an exam they do not need to be at school. Students have a 4 day break over the Queen’s birthday long weekend to study.

JUNIOR SCHOOL

Painting the woodwork wall

Last Tuesday we were lucky enough to have a team from Bunnings come to the Primary area and help us paint the exterior of the Metal/Woodwork room wall. A few months ago a letter was sent to Bunnings to ask for donations of paint to paint the wall. Bunnings replied and made us the offer of coming to paint the wall for us as a part of their “Paint Your Community Program”.

We had a working bee to prepare the wall and then Bunnings came to help us paint. A team of four from Bunnings came and we had the wall painted in just a few hours. In the near future we hope to have a mural painted on the wall to help brighten up the Primary Quadrangle area.

Special thanks must go to Jillinda Gellatly, who came in on her day off to help out and Peter Janetzki (Darcy Keel’s Poppy). Many hands make light work and we could not get these sorts of jobs done without the help of volunteers.

Junior School Social
The Junior School social will be on Thursday 5th June. The cost will be $5 per student and this will include food. Permission forms have been sent home today. The theme is “What I want to be when I grow Up”.

Black Ranges Cross Country
We wish the team of 13 students from Murtoa College the best of luck for the cross country on Tuesday at St Arnaud.

Parents and Friends
There will be a P&F meeting this Wednesday at 3.20pm in 1/2/3 room.
The Junior School social is on Thursday 5th June, once again the Parents and Friends will be catering for this.

We have some plates left over from the last catering job. If you own any of these please see Mrs Noonan to collect from school.

HOUSE CROSS COUNTRY

Wednesday May 21

- All year 7-10 students are expected to participate – VCE students have the option of participating and are encouraged to do so. Only those with a genuine note will be excused and given jobs to help with the running of the event.
- Catch-up for VCE/VET students will run with Mr. Vague.
- Students must change into their PE gear at recess. Those who do not have their PE gear will still be expected to participate in the ‘short course’. Students will wear this PE gear to their period 3. Students are to change back into their school uniform at lunchtime.
- On Wednesday, Period 4 students are to assemble for announcements at the quadrangle.
- Students should familiarise themselves with the course they are running: either the short or long course (maps are on room 1 window).
- All girls are running the 3km course.
- Boys aged 12-15 will run the 3km course.
- Boys aged 16-20 will run the 5km course.
- When students finish they should listen to their times and are to inform the recorders of their times and their house.
- Ipods or any other music devices are not allowed as they present a safety hazard if students become distracted when crossing roads.
- Any students caught cheating or cutting the tracks will be automatically disqualified.

Points will be awarded for placings and will contribute to the overall House Champion.

1st – 30 points
2nd – 25 points
3rd – 20 points
4th – 15 points
5th – 10 points
6th – 5 points

FYI: The first six place getters from each age group will qualify for Black Ranges Cross Country – held in Murtoa on May 27
Black Ranges Athletics Carnival
North Park, Stawell
Monday May 5, 2014

We were very fortunate Stawell turned out a clear day for the fourth Black Ranges Athletics Carnival last week. The competing schools were Horsham, St. Brigid’s, Ararat, Marion, Stawell and Warracknabeal Colleges.

Murtoa College walked away with five students breaking ELEVEN track and field records!

Darcy Edgerton not only won all his FIVE individual events but broke all FIVE records! Darcy was also awarded the overall most outstanding male competitor at the Black Ranges Athletics Carnival.

Jayden McQueen also performed exceptionally by winning three events, breaking TWO records and receiving a second place for Shot Put.

Lauren Drum, Alyce Campbell, Brittany Nitschke and Aaron Evans-Halligan also broke records!

Greater Western Region Track and Field Carnival
Students who placed first in their events and second in 800m or 1500m have automatically been entered in the Greater Western Region Track and Field Carnival at Llanberris Reserve, Ballarat on Friday 10th October. We wish those students the very best at this next level of competition.

Thank you
- Special thanks to the staff; Anne Gawith, Jenny Reading & Leanne Dingwall who gave up their time to assist with the Black Ranges Athletics, marshalling, time-keeping and managing the team for the day;
- to the parents, family and friends who travelled to Ararat to support our students and Julie Weidemann for assistance with first aid;
- to the students for their efforts in the events and for their conduct throughout the day;
- to Mel Boschen for safely driving us down and back!

ATHLETICS 5 STAR AWARDS

Year 7 PHYS ED

with Mr Argall & Mrs Baker

Term 2, 2014

The Athletics 5-Star Award Scheme is based on personal improvement and its aim is to encourage participation across a range of events. The events for 10-15 year olds are 100m, 200m, 400m, 800m, 1500m, High Jump, Long Jump, Triple Jump, Javelin, Discus and Shot Put.

Students in Year 7 completed a 5 Star Athletics decathlon doing their best in 10 track and field events during Phys Ed this Term. They were placed in teams of four as an ‘olympic team’ to compete against other teams for overall points.

Students were required to co-ordinate each event which meant selecting the correct equipment eg: the right weight shot put for their age, and measure/time that particular event. After completion of an event, students then recorded their results and checked them against a scoring table which allocated points per event according to performances. The better the performance, the greater number of points they were awarded according to the scoring table for their age.

As well as the decathlon, students were encouraged to choose their three best events (either two track and one field event, or two field and one track event) and add up their points. These points were compared to an age group chart for comparison and an appropriate award given if they met the standard score.

Types Of Award

BASIC AWARD

The aggregate score of 3 events decides the award. At least one event must come from each of the track events (runs) and field events (throws and jumps). 3 events must be attempted.

DECATHLON

The aggregate score in 10 events decides the award. At least two runs, two jumps and two throws must be included. 10 events must be attempted.

LEAP into DESIGN

On the 28th April, Year 9 / 10 Metal/Plastics students attended a workshop to learn about design related jobs. They had the opportunity to design, draw, build, think, solve and create in their quest to develop a solution to the Mystery Challenge. Working in teams, they were given a box of mystery goodies to be opened along with details of their challenge at the beginning of the workshop. They had two periods to solve their design problem and then were required to share their completed model for discussion with the rest of the group. Below is an account from one of the students participating in the workshop.

Larry Williamson
Metal/Plastics teacher

Last week the 9/10 metalwork class participated in the LEAP Design program. We were tasked with creating a free-standing or hanging light from the available materials. We were split into small groups and had half an hour to complete the lights. All the groups managed to successfully create their lights with some very creative designs produced. Overall the program was a great success and everyone enjoyed the session.

Year 9 Boys Volleyball progress to state finals:

For the second time in 6 months, the Year 9 boys Volleyball team will compete at the Victorian state finals after progressing through the Greater Western competition.

The boys progressed through the GW stage in straight sets for both of their matches against Brauer College and Daylesford College. Both schools fielded year 10 sides but our boys were able to easily dispatch their older opponents.

This time the boys are playing in the intermediate division, which includes year 10s and will face some stiff competition from older and stronger opposition. However, we have full confidence in the boys as they have shown they are very talented and more than up to the challenge!

Good luck for Friday!
Training in Murtoa this week

**Under 17’s**
What a day, the boys recorded their second win by playing probably the best football for the year. All the boys contributed to the win, Better players Connor, Max, Adam, Mitch, Josh and young Darcy Edgerton.
