Mother’s Day
The Murtoa College Community hopes that all the mums and grandmas had a lovely Mother’s Day yesterday and were able to spend it with those close to them. Thank you for being such good mums and grandmas!

Year 10 Work Experience
I would like to congratulate and wish the best of luck to all the Year 10 students who will be out on work experience this week. They have organized their own work experience and I hope that everyone enjoys the week and learns more about themselves and their career aspirations. I look forward to hearing all about their experiences next week.

NAPLAN
Good luck to all the Year 3, 5, 7 and 9 students as they undergo NAPLAN tests this week. Across Australia thousands of students will also be participating. The testing is a chance for students to show us how their literacy and numeracy skills are developing. For the Year 5, 7 and 9 students they will be able to show how much they have learnt over the past two years. The College uses these independently collected results to show our teachers what we need to focus on to help improve learning outcomes.

Treat the day like any other, have a good breakfast and do your best.
For further information please refer to the attached information sheet.

Facebook
We now have a Facebook page. This will give us another medium for communicating the good news that is occurring around the college.
The week that was! (Week 3 Term 2)

7-12 Inter School Athletics
This year’s Black Ranges Athletics carnival occurred last Monday May 4 at North Park Reserve in Stawell. 37 students attended and represented the college. Their efforts were fantastic and as usual they did the right things and enjoyed themselves. Thank you to Mrs Jo Baker for organising the team and thank you to those students who put up their hand and represented the college. Congratulations and a special mention to Darcy Edgerton who competed in the Boys 14 years and under age group. He placed 1st in all his individual events and he broke records in all these events (100m, 200m, Long Jump, Triple Jump, Javelin) A fantastic effort and Well Done! Please see the article later for all the results.

Black Ranges year 3-6 Cross Country
Seven students from year 3-6 participated in the Black Ranges cross country on Tuesday May 5. Thank you to Mrs Dingwall for driving the bus and taking the students. They all participated very well and represented the college the right way. Please see the article later for all the results.

Intermediate Boys Volleyball in the State Finals
Success for our Intermediate boys’ volleyball team! They won the Great Western volleyball finals on Wednesday at the Horsham basketball stadium. They will now go to Melbourne in a couple of weeks to play in the SSV state finals. I continue to be impressed by the way our students present themselves and participate in sporting events. I would like to thank Mr Argall for organising and coaching the team. Please see the article later for all the results.

Girls Football
On Thursday May 7 our girl’s football teams went to Horsham to represent the college in the Black Ranges football competition. Our year 7/8 team was coached by Mr Williams and the year 9/10 or Intermediate team was coached by Mr Bray. The girls had a great day and as usual represented the college the right way. I would like to thank Mr Williams and Mr Bray for making the effort to coach the girls and make it a very memorable day for all concerned. Please see the article later for all the results.

Motivational Media
Last Friday May 8th the Motivational Media team visited our year 7 to 10 students. As previously stated Motivational Media aims to both challenge and inspire young people to develop strategies that will enable them to reach their true potential so that their life choices will not be diminished through avoidable, reckless and harmful behaviours. Their presentation was very well received and did make an Impact!

**Primary News**

Firstly, we hope all of the mothers in our community had a wonderful and much celebrated Mother’s Day yesterday. It is an excellent time to reflect and thank mothers for the time and effort they put into us and unwavering support given throughout our lives.

Canteen – We have had some confusion this year with access to the canteen at break times. The Foundation to Six students are ONLY permitted to pre-order food. They are not permitted to buy from the canteen window at recess and lunch times. Thank you for your support and remember we also offer ‘Warm Ups’ in terms 2 and 3.

This week we look forward to the Language Conventions and Writing NAPLAN tests on Tuesday, Reading on Wednesday and Numeracy on Thursday for our Year 3 and Year 5 students. Mrs Venn, Ms Boehm, Mrs Noonan and I have been working diligently this term to prepare the students academically and mentally for NAPLAN. For many students it is a daunting task, so we have been focussing upon developing the confidence and skills necessary positively complete the tests. We wish all of the students well and know they will focus and do their best.

On Friday the Year 5 and 6 students will be heading to Birchip with Mrs Noonan and Mrs Jordan to participate in the annual Lightning Premiership. Students will be competing in Netball A and B, and football. It is always a pleasure taking our students to sporting events knowing that they will try their best, but more importantly demonstrate sportsmanship throughout the competition. Good luck netballers and footballers!

Mr Brad Venn
Acting Assistant Principal

This week in the F/1 class, sees the conclusion of our CCS topic ‘City and Country’, in which we created our own city. Over the past few weeks, we have been learning about special places, resources, and need and wants. After planning our city, we created skyscrapers, a supermarket, a cake shop, a dress shop, a train station, a school, a playground, a post office, houses, cars and peg people in Art.

Black Ranges Cross Country:
Last Tuesday, Bronte, Jorja, Breanna, Cleo, Nic, Lloyd and Deacan ran the Black Ranges Cross Country in St Arnaud in horrid conditions. Although the day was freezing, the ground was muddy and slippery; the students did a fantastic job to finish. We are very proud of their efforts and demonstration of College Values. Thank you Leanne Dingwall for driving the students and Marella Campbell for assisting on the day too.

**YR 9/10 PHOTOGRAPHY EXCURSION.**

On Friday 8th May, Yr 9/10 Photography students travelled to the Horsham Regional Art Gallery to view the Rennie Ellis photographic exhibition. The group, made up of Beginners and Advanced level students, discussed the works with the Gallery’s Education Officer, Debbie Moar. The exhibition of over 100 photographs taken by Ellis in the 1970’s and 80’s, document a period of great change in Australia. This was at times surprising and confronting. The students were also given an insight into the work done by a curator in the hanging and presentation of the photographs. Thanks to Mr. S. Williams for transporting students to the gallery.

**YEAR 10 BOYS PROGRESS TO STATE FINALS**

For the third year in a row, the Year 10 boys Volleyball team will compete at the Victorian state finals after progressing through the Greater Western competition.

The boys progressed through the GW stage in straight sets for both of their matches against Warrnambool College and Mount Clear College. The boys are keen to place well at state finals after finishing 4th last year. This year they will play as top age students and be high on confidence. A number of the boys are currently pushing for Victorian U17 selection and are currently playing for the Western Phantoms.

Good luck to the boys for State finals on Thursday 21st May!

GIRLS FOOTBALL
Thursday 7th May, 2015

Intermediate Girls with Mr Shaun Bray

Game 1: Murtoa (19) to Horsham College (24)
Game 2: Murtoa (26) to Marian (12)
Game 3: Murtoa (33) to Stawell (9)

Crossover game to determine 3rd and 4th place: Murtoa (50) to St Brigid's (8)

Bonnie: Was awarded the overall best on ground medal for the day. Bonnie was on the bottom of every pack and rarely lost a contest. She played 3 games with some big blisters and even finished with a goal in the last quarter when moved into the forward line.

Maddi: Finished the day with 1 goal after playing both forward and back. Took a great over-head mark in the third game against Stawell, which shows her high skill level.

Courtney: A goal-sneak who finished with 4 goals for the day. Was very agile in the forward line and nobody could tackle her.

Emma: Spent 3 games playing in the centre and despite her size, she was not afraid to win the contested ball. She hurt her wrist in the 3rd game and was unable to play in the final, which was disappointing for her and the team.

Eadie: Mostly played in defence and began to take the game on with the more experience she got. Showed a lot of skill when she had the ball and always kicked it long to the team’s advantage.

Ellen: Was swung between forward and back all day and her endeavour to win the football was unquestionable. Was on the receiving end of some heavy tackles but this did not seem to bother her!

Olivia: Played at both ends of the ground and was always in the play when the ball was in her area. Was not afraid to tackle – or be tackled!

Alayna: Played in the ruck all day and held her own against some tall girls from the opposition. She kicked a crucial goal in the first game against Horsham and was amongst the best players all day.
Abbey: Played forward and back and even in the ruck for a half! Kicked a goal in the first game against Horsham College, which kept us in the game.

Montana: Started in the centre but soon found her position in the backline. Had poise and rebounded ball after ball. Was amongst the best players every game and her standout game was against Marian College where she would have intercepted the ball at least 5 times!

Amy: Played in the centre and up forward. Finished with 4 goals and always used the ball well. She always took the opposition on and managed to shrug multiple tackles in a row. Was amongst the best players in every game.

Brittany: Played mostly in defence for the day. She was asked to tag Horsham's best, played in the second half of the game and this shows her team-work.

Bailey: Played mostly in the centre and got better as the day went on. Took the opposition on and drove us forward every time she had possession. Was the recipient of a stray opposition elbow after laying a great tackle, which shows she frustrated the opposition! Also kicked a goal.

Cassie: Played mostly forward and even when named in the backline she still played forward because she ‘wanted’ to! Took some great marks and finished with 4 goals.

Karina: Her tackling was a highlight all day. Did not lose a contest all day and was best on ground against a very physical Stawell team.

Denby: Applied first aid to players when they came off the ground when she was on the bench. Did a great job looking after blisters retrieving ice from the bus. Oh, and she played just as much footy as her team as well in between!

Sheridan: Arguably kicked the goal of the day with a Dustin Fletcher-like torpedo from the center of the ground! Also played at full back for a game, which showed her versatility.
The Year 7 and 8 team was a girl short in every game and many of them had never played before. Despite this they stayed positive all day, improved with every game, and almost won their last match.

**Game 1: Murtoa College (0) to Marian College (20)**
**Game 2: Murtoa College (0) to Holy Trinity College (19)**
**Game 3: Murtoa College (14) to St. Brigid’s College (17)**

Lori: Did a fantastic job as captain rallying the team and leading the warm-ups. She was awarded best on ground for always being in and under chasing the ball, tagging the oppositions’ best players, and kicking the team’s two goals for the day.

Madi: Lead the defence for the day. Took responsibility for kicking out from the backline and stopped many goals by tackling hard and running for the ball.

Bridget: Played in every position during the day and showed excellent skill in all of them. Ran hard all day, earned the ball every time, and almost kicked a goal.

Holly: Put her body on the line in every game. Spent a lot of time in the backline stopping goals, and almost kicked one of her own in the forward line in the last game.
Kassidy: Spent most of her time in the middle chasing the ball and trying hard all of the time. Got some important kicks to send the ball into our forward line and tackled the opposition well.

Laura: Supported her teammates and was full of energy. Ran hard in every game and got into the action all of the time.

Evie: Got in and tried to get the ball whenever it got near her. Did a great job in all positions.

Emmy: Ran after the ball and made it there first a few times. She was enthusiastic amongst some bigger girls and did well.

Jaye: Quietly went about her business and spent time in the forward and backlines. She really seemed to enjoy her first outing on the footy field.

Shanara: Enthusiastically attacked the ball and asked to get into the middle to get amongst it despite never playing before. Great effort.

Breeannan: Was enthusiastic and loved to bump the opposition. Did a great job in the backline and laid some good tackles.
A group of enthusiastic students travelled to Stawell for the fifth Black Ranges Athletics Carnival last week. The competing schools were Horsham, St. Brigid’s, Ararat, Marion, Stawell and Warracknabeal Colleges. Murtoa College walked away with three students breaking SEVEN track and field records!

Darcy Edgerton not only won all his FIVE individual events but broke all FIVE records! Darcy also won Age Champion for boys 14 years.

Jayden McQueen also performed well with one first, two seconds and two thirds giving him the Age Champion for boys 16 years.

Football

U17’s

A very testing day at Horsham this week and not one of our best, missing a few players through injury and promotion the boys struggled to get going from the start, Ferg was our best this week and worked hard in the ruck, Dom Hateley tackled hard and put a lot of pressure on to be next in line, the ever reliable Keegan Fallon getting third best. Angus Gilsenan, Tom Petering and Ryan Boschen rounding out the top 6. Keep at it boys the wins will come.

Welcome

Welcome to the first edition of the 2015 Art is... Layers of Time Festival News. You will be kept informed about the exciting program that is on offer in this year’s Art is... festival and any updates that are happening. There are lots of exciting surprises in store for all ages to enjoy.

2015 is the second year featuring the Art is... Festival’s theme of ‘Layers of Time’. This theme will continue to supply artists, young and old alike, with creative and limitless opportunities to develop their ideas and present them in many forms.

In 2014, many talented people created a fantastic festival, and organiser of the Festival are keen to see even more artistic elements return to the Wimmera. The Art is... Layers of Time festival will take place 29 May – 7 June 2015.

What’s on? This year we will be popping up throughout Horsham and the region with interactive animations, performance and visual art, music, workshops, pop-up art, galleries and much more.

Art Play Sunday

Create, investigate, explore and invent!

Join us for a day of family entertainment and activities. Come and create with Nebula to add your very own layer of time in the accumulative exhibition that will be displayed during the festival. Make some amazing pieces of artwork from seeds and grains, and design your very own grass heads people with the Horsham Regional Art Gallery. See some amazing street performance characters and costumes by Street Stalkers from the West.

Want to get involved?

Currently we are on the lookout for volunteers to get involved with festival events. Please contact Art is... if you are able to help on (03) 5381 0297 or 0428 810 236; or email office: artis@wimmera.com.au – there is a range of jobs available for all ages.

Test your acrobatic skills with the adventurous Wimmera Women’s Circus, learn creative ways to apply face paint in a step-by-step workshop and venture into Cuti-vast for a fun interactive tour for all the family.

To finish the day off sit down and enjoy an amazing performance from Hoff House Theatre, Wimmera: Small Parts at the Wesley PAC.
