

Murtoa College

HAT POLICY

Rationale:

Schools are required by law to take all reasonable steps to protect students from risk of foreseeable injury lest they be seen to be breaching their duty of care.

If schools fail to enforce sun protection policies, they may be liable to litigation for negligence in years to come. Wearing of broad brimmed hats is part of the SunSmart program. Skin Cancer is almost totally preventable through simple inexpensive sun protection methods.

This policy is complementary to the SunSmart Policy and should also be read in conjunction with the uniform policy.

Aims:

- to encourage all students to wear the appropriate school uniform in particular **the school issued broad brimmed Hat** during Terms 1 and 4 whilst outside at breaks and during Sport, Phys Ed classes and whilst on excursions, where appropriate.

Implementation:

Staff Support is required in the following manner:

- Act as an appropriate role model by wearing hats on duty and whilst supervising sport
- Enforce the consequences of breaches of this policy

During Terms 1 & 4

- Students are to wear their hats whilst outside during recess and lunchtimes whilst in the sun and during sport.
- Year 7 Students are issued broad brimmed hats at the start of the school year. These should be named immediately. These hats are the preferred option for students to wear.
- Students may also bring any broad brimmed hat from home providing it shades the ears and face and does not have any inappropriate wording or symbols on it.

Recess /Lunchtimes

- Students who do not have or do not wear their hats must remain in the shade. Students playing games in the sun during recess and lunchtimes are to wear their broad brimmed hats.

Phys Ed or Sports Classes

Students who fail to wear an appropriate hat will participate in a theory activity on a SunSmart topic.

Camps & Excursions

Where relevant & appropriate, students will not be permitted to board the school charter bus without a broad brimmed hat.

Evaluation:

This policy was last ratified by School Council on....
