

Murtoa College

JEWELLERY POLICY

Rationale:

Some forms of jewellery pose potential health, safety and school image problems. These types of jewellery are not to be worn at school, or have limitations placed upon the wearing of them.

Aims:

- To provide clear directions regarding the wearing of jewellery to school.
- To provide an environment that is safe, healthy and positively promotes the school's image to the wider community.

Implementation:

- This policy forms part of, and is to be read in conjunction with, the school's uniform requirements.
- This will be put in the student diary.
- Issues of jewellery being worn by students are fundamentally about health, safety and school image.
- As a result, the following restrictions exist whilst at school or whilst involved in school related activities: -
 - A maximum of two ear studs or sleeper earrings may be worn unless required by a physical education staff member to be removed or covered.
 - Earrings that 'dangle' or hang from the ear may not be worn at any time.
 - Rings, studs or piercings on any other part of the visible body must not be worn at any time.
 - Necklaces (including religious necklaces) may only be worn inside clothing. Necklaces must not be worn outside clothing and must not be visible.
 - Rings or bracelets of any description may not be worn, except on casual days, but may be required to be removed for sport or physical education lessons, or whilst the student is involved in practical classes.
 - Watches may be worn but may be required to be removed for sport or physical education lessons, or whilst the student is involved in practical classes. Watches that store information are not to be taken into examination rooms.
 - Tattoos (including temporary transfers) are always to remain covered.
 - Sunglasses may be worn during recess or lunch breaks, or may always be worn on approved excursions but remain the responsibility of the student
 - Clear nail polish only is acceptable
