

MURTOA COLLEGE PARENT PAYMENT ARRANGEMENTS

Dear Parent, Guardians and Carers,

Murtoa College is looking forward to another great year of teaching and learning and would like to advise you of *Murtoa College's* voluntary financial contributions for 2024. We make every effort to keep the cost of items and activities to a minimum and affordable for all families.

Schools provide students with free instruction to fulfil the standard Victorian curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, this has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to have a wellbeing focus for our students, including having our beautiful Groodle, Rosie in classrooms and reducing the cost of camps, excursions, and school activities.

School Councils can request payments or contributions for educational items and services from parents and guardians for students in Victorian Government schools in three categories-

Curriculum Contributions

Other Contributions

Extra Curricular Items and Activities

For further information on the Department's Parent Payments Policy please see a one-page overview attached at the end of this form.
